

PHOTO SUBMISSION FORM

Please enter your contact information where indicated.

Complete one copy of the Object Description Form (page 2) for each item submitted for evaluation.

Attach clear color photographs of each object, both front and back, as well as photographs of signatures, maker's marks, and any areas of damage. Please write your name, address and telephone on the reverse of each photograph. Photographs will be returned only upon request.

Your photographs will be examined by our specialists, and if the property is appropriate for auction at Doyle New York, you will receive your auction evaluation in a timely fashion – usually within two weeks.

Please note that auction estimates based on photographs are strictly preliminary and subject to change pending first-hand inspection by our specialists.
