CORRECTIONS

- Lot 19 Please note this lot comes from the collection of Martin Corry, Special Engineer for New York Central Railroad from circa 1910 - 1952, not Pat Corry, as was printed in the catalogue. The catalogue has been updated online to reflect this.
- Lot 38 Please note this broadside is mostly split along the central horizontal fold.
- Lot 107 Please note that the front cover on one volume is now detached.
- Lot 110 Please note that the letter in volume X is a letter signed (presumably dictated), not an ALS. The catalogue has been updated online to reflect this
- Lot 285 There are 27 single page plates, not 15 as listed in the printed catalogue. The book is complete, as stated.
- Lot 286 There are 27 single page plates, not 15 as listed in the printed catalogue. The book is complete, as stated.

Addendum

Lot 302 Please note we believe this to be Jackie Curtis in the photograph with Andy Warhol, not Gilda Radner as printed in the catalogue.
