ADDENDUM

CORRECTIONS

- Lot 11 Note that this entry originally mentioned the Cardozo letter as to Elvira Solis; this attribution was in error. The recipient is untraced.
- Lot 29 Please note the author of this letter is diplomat Anne-Cesar Chevalier de la Luzerne, not his brother Cesar Henri as stated in the catalogue. The Entry updated 10/10.
- Lot 60 Please note this print was damaged in unframing and has a break about 8 inches into the image from the left margin which also has small losses.
- Lot 156 Please note that the front board of Volume IV, part II of the *Memoirs* of Madame Junot has a defect to the upper edge of the front board, about an inch in from the joint, resulting in a half-inch separation of the leather on both the upper cover and the doublure.
