ADDENDUM

CORRECTIONS

Lot 15 The condition report has been updated as of 2/13/2023:

There is a loss at near the bottom edge at the center left approximately 1/4 x 1/2 inches in size. A smaller 1/8 inch loss is about 1 1/2 inches above this loss. Two small losses at near the center of the left edge, each less than 1/8 inch in size. Isolated areas of craquelure. Unexamined out of the frame (the work is toenailed into the frame.) It is difficult to detect restorations under UV light but some of the pigments present darker than others.
